

Lunch Applications FAQ

1. Free and Reduced Applications are available at the school office and the cafeteria.
2. One Free and Reduced Application per Family.
3. Returning Students will have the same status as last year for 30 days into the new school year. These students are also required to complete an application within the 30 days of school, if no application is submitted the status becomes paid student and meal charges will apply. New students are given an application upon registration.
4. How long does it take to process an application? Upon receipt of a completed application, the Child Nutrition Department has ten business days to complete the processing procedure. The authorized school official will also be notified with a current roster of student status.
5. Will parents need to pay for a child's lunch until the application is processed? Yes. If meals are charged before the day a child's application is approved, charges are not paid later by the government. Parents must still pay for charged meals before application approval.
6. Do Pre-Kindergarten students automatically qualify for free/reduced meals? No. All students must complete an application each year.
7. What does the school district do to protect the personal information about a child? All information is kept confidential in the Child Nutrition office and is only given to authorized school official.
8. Menus will be sent via email from our Aramark Lunch Director, Janet Gaither. Menus are also posted on this web site.
