**OUR PRIORITY IS TO KEEP KIDS  
HEALTHY AND IN SCHOOL ...**

### **WHAT IS OUR MISSION?**

To extend the healing ministry of Jesus Christ by providing primary healthcare services to children, faculty and staff in the school setting. Our primary goal is to help keep the kids healthy and keep parents at work.

### **WHO CAN USE THE CLINIC?**

- Students
- Faculty
- Staff

### **WHO OPERATES THE CLINIC?**

Family Nurse Practitioners are the primary care providers in the clinics. The clinics are overseen by a physician who serves as the Medical Director.

### **WHAT IS A NURSE PRACTITIONER?**

Nurse Practitioners (NPs) provide high-quality healthcare services similar to those of a doctor. We can diagnose and treat most common illnesses and prescribe medications. NPs also focus on health promotion and disease prevention. If you would like additional information, please visit the American Academy of Nurse Practitioners website at AANP.org

### **WHAT SERVICES ARE AVAILABLE?**
