If you give your child a check or money to bring to school for any reason, it should be put in an ENVELOPE with your child's NAME on it and the PURPOSE of the check or money. Children should never have more money in school than they will need for the day.

### **Withholding Report Cards:** Archdiocesan Policy 3220.4

Report cards and/or transcripts are not issued at the end of each reporting period or the end of the school year until all financial obligations are met. Families will be “locked out” of online viewing.

### Attendance Policies

In compliance with the Texas Catholic Conference Education Department (TCCED) and the State of Texas Family Code, schools of the Archdiocese of Galveston-Houston follow compulsory attendance law.

St. Pius V Catholic School establishes and publishes a school calendar prior to the beginning of each school year. Parents/guardians are expected to honor the calendar established by the school.

### Student Absence

Daily attendance is the only effective way to ensure continued academic progress. School absence is categorized in the following manner:

**Excused Absence due to Family Emergency** - A death in the immediate family, serious, or a prolonged illness is handled on an individual basis. Special care and consideration for the student and his/her family would dictate the procedure that the school would follow in such circumstances. Please contact the school office as soon as possible to inform us of the situation. A note is to be sent to the homeroom teacher upon the student's return to school. Students will be required to make up all work missed during an absence. Students will be given allowance of one school day for each day the student was absent to make up assigned work and test.

**Absence due to Illness** - If a student is unable to come to school due to illness, the parent/guardian is expected to notify the school office by 9:00 a.m. A note is to be sent to the homeroom teacher upon the student's return to school. Students will be required to make up all work missed during an absence. Students will be given an allowance of one school day for each day the student was absent to make up assigned work and test.

- If your child is going to have a long-term illness (longer than a week), please contact the school principle to discuss arrangements for school-work.

**Unexcused absences** - When a student is absent from school for any reason other than a doctor's appointment, illness, or family emergency, the student will not be permitted to make up the work that he/she missed. The school staff is not obligated to provide special services when a parent opts to schedule activities that warrant student absence on compulsory attendance days as indicated on the annual school calendar.

- Do not call the office to request work. Classwork must be done in the classroom. Homework is a reinforcement of what was learned earlier in the day. Therefore, sending work home is not appropriate.
- If an emergency arises and a student must leave school early, please call the school office so we may notify the teacher to have your child ready. This will minimize the disruption in the classroom.

**Doctor/Dental Appointments** - Arranging doctor and dental appointments during the school day is strongly discouraged. Please make a sincere effort to have all doctors' appointments made after school. If this is impossible and a student must be dismissed early, a note is to be sent to the teacher. Parents should report to the school office to sign the check-out book before the student is released. Parents will need to sign the student back in at the school office before the student returns to class. All students will be required to bring a doctor's note if they miss any part of the school day.

**Restricted Physical Activity** – If for any reason a student is not able to participate in Physical Education class or recess for more than 1 day, please send a doctor's note to the homeroom teacher. The note should explain the situation, the physical activities restricted, and the approximate duration your child will not be able to participate in these activities.

## Attendance/ Tardy Regulations

It is essential that a child attend school regularly in order to maximize his/her potential. A student who incurs more than eighteen absences per year may be required to repeat the grade.

An excuse in writing signed by the parent/guardian stating the reason for the child's absence must be presented to the teacher the day the child returns to school. If the note does not accompany the student, such an absence will be counted as unexcused. The following are accepted excuses for absence: illness, death in the family, doctor appointments, and any emergency situations. All other absences are considered UNEXCUSED. Any child who is absent for three or more consecutive days, must present a doctor's note to the school office.

## **Student Arrival and Dismissal**

### Arrival

Students being dropped off between 6:30 a.m. and 7:45 a.m. must report to the cafeteria. Parents are to drop off their children in the "drive thru" area of the cafeteria parking lot. To ensure an orderly drop off, parents are NOT to escort students to the cafeteria from the carpool lane. If your child is not able to exit the car by themselves, please park in the front parking lot (Main Street) and walk your child to the cafeteria. In order to have a secure environment, **ALL** students must be dropped off and picked up from the cafeteria.

Students arriving at school after 7:45 a.m. are tardy. Students who arrive late on the cafeteria side will sit at the table nearest the door to be counted as tardy. Students who arrive at the front entrance will be checked into school at the office window and sit in the library until it is time to go to the classroom. Students who arrive to school after 9:30 a.m. are counted as absent unless they have been to the doctor and have a note from the doctor.

### **Student Dismissal**

Students will be dismissed at 3:15 p.m. and loaded into cars on the Marvick St. side parking lot of the cafeteria.

To ensure an orderly and speedy dismissal, each family will be assigned a card. These cards will be displayed in the front windshield. Teachers and Safety Patrol will be positioned in car lines to relay family names to school personnel who will call for students to exit the building. Parents may be asked to circle the lot again if their child is not ready to leave.

Those parents wanting to "walk up" and pick up their child **MUST** park in the Main St. lot (outside the school office) before entering the side gate between the office and Room 17).

Parents, for the safety of our students, PLEASE no cell phones while driving on campus.

### **Extended Day Program**

The Extended Day Program is now run through St. Pius V

### **For Your Child's Safety**

To ensure a safe dismissal of all students, please inform the school office of any changes that affect the afternoon pick up of your child/children. The homeroom teacher should also know the child's dismissal routine.

If an adult other than the parent, guardian, or regular carpool adult is to pick up a student, they must pick up the student in the school office. A driver's license will be required.

### **IMPORTANT ALERT:**

Any students not picked up by 3:30 p.m. Monday - Friday will be brought to the school office. If the school office has not received communication from the parent/guardian, the following steps will be taken:

- The staff will try to contact the parents.
- The staff will try to contact the adults on the emergency form authorized to pick up the child immediately
- The authorities shall be notified if the child is not picked up.

Parents will sign out the student. Habitual late pick up will result in a supervision charge of \$1.00 per minute being added to your tuition account.

Students can be picked up from extracurricular activities when practice is scheduled to end.

\***NO student** is allowed to attend sport events without a parent being present unless they are on the SPV team.

All parents and guardians are welcome to join us for Mass on Fridays. Mass is an important part of our Catholic Identity and begins at 8:00 a.m.

## **Tardy Policy**

A student is tardy if he/she arrives after 7:45 a.m. bell rings. A parent must take the student who is late to the school office. Staff will then take the student to their classroom.

Habitual tardiness seriously affects a student's school performance and disrupts the class they are entering. This student is also losing learning time. Tardies are recorded for each grading period on the report card. Tardiness, like absence, interferes with a child's progress in school. All students are expected to be on time for classes. Five tardies during one nine-week grading period equals one absent.

If necessary, parents will be contacted to discuss habitual tardiness and students may be subject to dismissal from school.

Perfect attendance is recognized with an award and is given at the end of the year. This is given to those students who are not absent or tardy during the school year.

## **Uniforms**

**All articles of clothing (and lunchboxes too!), MUST have student's name written inside the item. Please use a permanent marker to ensure that clothing can be returned to its proper owner.**

Students should wear school uniforms every day, unless given special permission by the principal. All students Pre-K3 through 8th grade MUST be in full school uniform on all school days and in the required P.E. uniforms (grades 3-8) for all Physical Education classes. PLEASE label every item of uniform clothing with the student's name.

The uniform dress code is strictly enforced. Students will observe the uniform dress code rules at all times. Students in violation of the dress code will be given a uniform infraction slip. These violations will affect the student's citizenship grade.

A parent/guardian will be notified by the Administration to remedy distracting appearance deemed not suitable for continued enrollment.

**Shirts** - All polos must be neat, and clean and worn with vest. Polos are to be correct size, not baggy or tight. Only during the cold winter months students are allowed to wear a white, navy or black undershirt for warmth.

**Skirts/Skorts**- Girls' skirt must be neat, clean and the length must be to the mid-knee or below. Skirt should touch the floor when kneeling.

**Shorts** – Shorts for boys are to be purchased from Parker Uniform or any uniform store. Shorts must be neat, clean and the length must be to the mid-knee or below the knee.

**Hats** - No hats, caps, or head coverings may be worn in the school buildings during the school day.

### **P.E. Uniforms**

Students must wear a St. Pius V Catholic School t-shirt and shorts for P.E. class (grades 3-8). St. Pius V t-shirts and shorts are to be purchased through Parker Uniforms. Tennis shoes must be worn in PE. The same socks worn to school may be worn in PE. Every student enrolled in our school is expected to participate in PE class. If a student is physically unable to participate, he/she must obtain a written excuse from a doctor. In the case of an emergency, a student may bring a note from their parent/guardian and he/she will be excused for the day. If the student is in school, he/she is still expected to dress out for PE, even if he/she is sitting out. Failure to participate in PE activities may result in a “U” in conduct and/or PE.

### **Spirit Dress**

Spirit Dress is the St. Pius V PE t-shirt (may be purchased at Parker Uniform or other St. Pius V t-shirt), solid blue jeans, belt and solid black tennis shoes.

### **Non-Uniform Privileges**

During the school year, special days may be designated as non-uniform dress days. Students are instructed as to what

constitutes appropriate attire for these occasions. Certain types of apparel are inappropriate for school even on non-uniform dress days. Such clothing includes but not limited to halters, shorts, skirts, or dresses that are not school uniform length, shorts with fringe, shorts made of sweat-pant or jersey material, spaghetti-strap tops or dresses, T-shirts with offensive slogans/symbols, backless shoes, and ripped or frayed clothing. Failure to dress appropriately will result in parents being notified to bring appropriate clothing for students to remain at school that day. Students not abiding by the dress code may result in exclusion from the special activity/event that day or the possibility of losing future “non-uniform” privileges.

Consequences for Dress Code Violations

1. Teacher/Student Conference
2. Discipline Note Home
3. Parent Phone Call
4. Loss of Privileges/School Activities
5. Referral to office

**Academic Policies**

**Curriculum and Textbooks**

The formal curriculum for St. Pius V Catholic School is contained in the Galveston-Houston Archdiocesan Curriculum Guides. These curriculum guides are based on Christian values and authentic Catholic doctrine. Textbooks are selected from the State of Texas adopted textbook list. A variety of supplementary materials in addition to basic textbooks are used to enrich and expand the curriculum.

Textbooks are distributed to students at the beginning of the school year. Students will be fined for damages beyond the normal wear or be asked to pay full replacement cost for books lost.

**Class Assignments**

It is the student's responsibility to keep up with class assignments.

- Students with excused absences will make up any work missed.
- Any student entering the school later in the day will make up work missed.
- Students absent on the day of a test will be expected to take the test the first day of returning to school.
- Students will be given an allowance of one school day for each day the student was absent to make up assigned work.

Note: It is the purpose of these guidelines to promote responsibility in our students.

**Homework**

The purpose of homework is to help students develop good study habits, foster positive attitudes toward school, and to communicate to students the idea that learning takes place at home as well as at school.

Homework will reinforce skills and concepts taught in class. Grades PreK-5 will be assigned homework

Monday - Thursday and Grades 6-8 will be assigned homework Monday - Friday. Assignment books are utilized in grades 3 - 8. Parents should ensure that students complete all homework assignments. If your child is spending significantly more than OR less than the suggested time, a discussion with the student's teacher may be in order. The approximate time allotment per night is:

Pre-K 3-K	5-15 minutes
Grades 1-2	15-30 minutes
Grades 3-4	30-40 minutes
Grades 5	45-60 minutes
Grades 6-8	90 minutes

**IMPORTANT:** In grades 6-8, there will be zero tolerance for late homework. If a student does not have his /her homework ready to turn in when it is due, he/she receives a zero for that assignment. In cases of extreme family situations, the parent needs to write a note to the teacher explaining why the homework could not be done. This note is to be given to the teacher the day the homework is due. Homework and class participation together will comprise 20% of the nine weeks grade.

## **Standardized Testing**

Catholic schools in the Archdiocese of Galveston-Houston participate in achievement testing in the spring of each year. Testing is one of several means of accessing pupil performance. All students in grades K-8 will be tested using the Iowa Test of Basic Skills Program (ITBS). Students will be tested using the CogAt testing program.

Upon completion and return of scores, parents will be notified of test results. Test results are recorded on the permanent record card.

**Designated weeks for testing are published on the yearly school calendar. Parents are asked not to schedule doctor/dentist appointments, family vacations or outings, etc., during testing weeks unless there is a family funeral or medical emergency. St. Pius V Catholic School cannot guarantee a make-up date or time for any part of the test missed from the ITBS.**

## **Recognition**

All eligible students in the 1st through 7th grade are recognized for their scholastic efforts and academic achievements at the end of the year assembly on the last day of school. 8<sup>th</sup> graders are recognized at their graduation school mass.

## **Enrichment**

There are several activities in which the children participate to further enhance and stimulate their education. These may include: Art contests, Talent Show, Speech Tournaments, Spelling/Geography/Vocabulary/Religion Bees, Science Fair, Poetry and Essay contests, and extracurricular activities. In the 7<sup>th</sup> and 8<sup>th</sup> grade, students are eligible for the National Junior honor Society. Grades 6<sup>th</sup> through 8<sup>th</sup> are eligible for ambassadors for the school. We believe each student has talent in some area of his/her life. By offering these activities, St. Pius V Catholic School hopes to help each student realize his/her talent and foster a positive self-image.

## **STAR Program**

The Student Tutorial and Remediation (STAR) program is designed to provide intensive and effective individualized reading intervention. The goal of the Star program is to give students the remedial help necessary to be able to read on average or above average at their grade level. Students from kindergarten through 4<sup>th</sup> grade qualify for this support service as long as their reading grade is 75% or below despite regular classroom instruction/intervention. STAR students are taught by a certified reading specialist during the school day. Students receive from 30 minutes to 90 minutes a week of individual or small group attention depending on their needs. Multisensory (visual, auditory, tactile and kinesthetic learning) strategies are used to fit each student's individual learning style using proven research-based strategies of corrective reading. STAR intervention addresses all 5 components of reading: phonemic awareness, phonics, vocabulary, fluency, and comprehension. Students are assessed for reading deficiencies, monitored closely, and received targeted instruction in areas where they are deficient. STAR students receive highly individualized instruction using their reading strengths, learning styles and interests to enable these students to become successful and confident readers.

## **Learning Resource Center**

It is our belief that every child can learn. The learning support center provides a range of services, educational strategies, and opportunities to help students achieve their academic goals. The learning support center is available during the school day. Off-level instruction in small group setting is provided to students who have an Individualized Educational Plan (I.E.P) or a 504 plan. We also offer speech therapy through the Pasadena Independent School

District.

This bulletin will contain the menu for the upcoming month, announcements, information about important events, and changes in schedules, please read the update carefully. This is an important communicational link between the school and parents.

Any person /organization wishing to include information in the update, please contact the school office.

### **IRIS Alert System**

The IRIS Alert System is designed to notify you with important school updates. You will be notified by cell, work, and home telephone numbers as well as by email to keep you updated on events and dates in regards to school happenings. It will also provide emergency information as needed.

### **Conferences**

All available school resources shall be utilized to promote student success. Lines of communication will be kept open to inform parents of student progress in all areas. Concerns about a student will be addressed initially by the classroom teacher and parent. In the event concerns continue, referrals for additional assistance and resources may be pursued through the school administration.

Formal Conferences - Parent-Student-Teacher conferences are held twice a year, during the first grading quarter and during the third grading quarter.

Informal Conferences –Discussions about your child’s progress are welcome throughout the school year.

The teachers; however, are not available to discuss issues during the regular school day without an appointment. Contact the school office to leave a message for the teacher or send a note with your child. Teachers will contact you within 24-48 hours of receiving the message. If you have not been contacted, please call the school office so the office can assist with the communication between home and school.

Intervention Conferences – Parents of students who are experiencing academic, social, and/or behavioral problems will be asked to conference with the team of teachers who work with the student daily. At this time, a School Intervention Plan will be completed to determine causes of the problems and recommendations made to resolve the problem.

### **Parental and Student Rights**

St. Pius V Catholic School shall respect parental and student rights to information and to confidentiality. The school shall:

1. Provide parents and students access to records directly related to the students (e.g. duplicate report card, permanent record card, health records)
2. Obtain written consent of parents before releasing personally identifiable information from student's records.

### **Non-Custodial Parent**

Parental rights extend to either parent unless the school has been provided with evidence that there is a court order, statute, or a legally binding document relating to such matters as divorce, separation or custody that specifically revokes these rights. A copy of such document must be in the school file. In case of joint custody, both parents should be equally informed of their child’s progress.

## **Communication Plan for St. Pius V Catholic School**

The school communicates and keeps a continual dialogue with each of the following people.

Pastor - Each week the school principal has a scheduled meeting with the pastor at which he is kept current on all school matters and any concerns are addressed.

Faculty - A staff memo communicates important information to the staff. On the first Friday of each month, all teachers meet with the principal to discuss concerns and plans. The principal encourages staff members to discuss any concerns or problems in an ongoing open door policy with the office.

Parents - The principal explains communication procedures to the parents at 1<sup>st</sup> H.S.A Meeting. School Policy Handbooks are distributed the 1<sup>st</sup> week of school. Parents and students are required to sign an acknowledgment form indicating they have read and agree to abide by all procedures, regulations, and policies. The principal and staff use phone calls, e-mails, IRIS and personal notes for further communication.

NOTE: If a parent has a concern with the school they first go to the person with whom they have the concern. If the matter is not resolved, discuss the matter with the principal, next the pastor, and finally the Superintendent of the Archdiocese of Galveston-Houston Catholic Schools.

Students - Each morning the principal and staff communicate with all the students. The school office is a friendly place where all students are welcome to share problems or good news.

## **Technology**

### **Technology Acceptable Use Policy Statement**

St. Pius V Catholic School is pleased to offer students access to technology resources for educational purposes, which may include computer hardware and software licensed to the school. To gain access to the technology resources, all students must obtain parental permission as verified by the signatures on this agreement. Should a parent prefer that a student not have e-mail and Internet access, use of the computer is still possible for more traditional purposes such as word processing.

### **Internet**

St. Pius V Catholic School provides security and filtering technology in order to reduce the amount of SPAM, spyware and to restrict access to inappropriate websites. These tools do not guarantee that all inappropriate content will be blocked.

Access to Internet will enable students to explore thousands of libraries, databases, museums, and other repositories of information at the school. FAMILIES SHOULD BE AWARE THAT SOME MATERIAL ACCESSIBLE VIA THE INTERNET MAY CONTAIN ITEMS THAT ARE ILLEGAL, DEFAMATORY, INACCURATE, OR POTENTIALLY OFFENSIVE. While the purpose of the school is to use Internet resources for constructive educational goals, students may find ways to access other materials. We believe that the benefits to students from access to the Internet outweigh the disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their students should follow when using media and information sources. Therefore, we support and respect each family's right to decide whether or not to allow for access.

### **Exception to Students' Behavior**

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with Archdiocesan standards and the specific rules set forth below. The use of technology resources is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's technology resources. The students are expected never to access, keep, or send anything that they would not want their parents or teachers to see.

Consequently, the way in which students portray themselves in images or in words, or the values they express must not contradict the values of the school as expressed in such documents as the mission statement, statement of philosophy, code of conduct and ethics, and acceptable use policies.

When parents video school events, it must be for personal use only. Posting the images to any publicly viewed site is prohibited as permission from all parents has not been secured. If this policy is abused and the school becomes aware of such, then photographing/videoing school events will be prohibited in the future.**

**Illegal copying** - Students should never download or install any commercial software, shareware, or freeware onto network drives, travel drives, or disks. The following policies apply to the school day, extended day, and any school-sanctioned activity. Failure to comply with these standards will result in disciplinary action.

### **Cheating**

Cheating is a form of dishonesty where a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained. Examples include:

- Copying from another person’s work during an examination or while completing an assignment
- Allowing someone to copy from a student during an examination or while completing an assignment
- Using unauthorized materials during an examination or while completing an assignment
- Collaborating on an examination or assignment without authorization

- Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for you
- Communicating with another student by any means, electronic, verbal, or written, regarding the contents of a quiz or test before all students have taken the test or all grades have been posted
- Cheating on an assignment or test (this will result in a zero being recorded for that assignment or test) Cheating also includes plagiarism which means students cannot reproduce other people’s work.

- Citing sources that do not exist
- Attributing to a source, ideas or information that are not included in the source

### **Plagiarism**

Plagiarism of any kind is an unacceptable practice in Archdiocesan schools where students are expected to acknowledge the original intellectual work of others. Many instances involve violations of copyright law in regards to materials posted on the internet. Plagiarism involves the act of copying another person’s work and submitting it as one’s own individual works, thoughts or ideas without proper acknowledgement.

**Intentional plagiarism:** Intentional plagiarism is the deliberate act of representing the words, ideas, or data of another as your own without providing recognition of the sources from where the information originated or was copied. Providing recognition of the source is known as “citing the source,” which involves including quotation marks around the copied work and providing a reference or footnote about the source.

Intentional plagiarism is a form of intellectual theft that violates widely recognized principles of academic integrity as well as ethics. Intentional plagiarism warrants disciplinary action following the St. Pius V Disciplinary System.

**Inadvertent plagiarism:** Inadvertent plagiarism involves the inappropriate, but unintentional, use of another’s words, ideas, or data without proper acknowledgement. Inadvertent plagiarism usually results from a failure to follow guidelines for documenting sources or from rushing through research and writing without properly citing the author’s work. Students who are in doubt as to whether they are providing proper recognition of sources have the responsibility to consult with their teacher to obtain guidance. Students failing to pay close attention to these details may receive less than full credit on assignments and possible disciplinary action following our disciplinary system.

Written documentation must be obtained from a parent/guardian stating that the parent/guardian understands that a non-licensed person may give medication. It is the responsibility of the parent/guardian to bring to the school office all medications, permission written and signed by a physician, and any equipment needed. Students will not be allowed telephone use to call for forgotten items. Your cooperation in this matter is appreciated.

### **Student Articles Forgotten at School**

After the dismissal bell, students will not be allowed to return inside the school building to retrieve forgotten items and/or textbooks/notebooks without permission from office staff. ### **Archdiocesan Appeals Process**

Although the Archdiocese endeavors to establish a harmonious Christian atmosphere within its schools, it recognizes that misunderstandings or differences of opinion sometimes occur. Ideally, such matters can be resolved informally by a parent or guardian meeting with the immediate authoritative person to discuss the matter. If, however, the matter is not then settled to the parent or guardian's satisfaction, the parent or guardian may institute a formal grievance. A formal grievance must be in writing and must be received in five (5) working days following the occurrence of the event on which the grievance is based. Please contact the principal for a copy of the Archdiocese's current appeals process/grievance procedure for further details. Also, please note that the current policy supersedes and replaces all previous policies and statements regarding institution and processing of formal grievances within Archdiocesan schools.

**Asbestos**

The Asbestos Management Plan is available at the church office Monday-Friday 9:00a.m. -3:00p.m. by appointment.

**Safety**

**School Property**
